Newsletter

Dear Parents,

What a fun, exciting Lutheran Schools Week we had! It was great seeing so many families at church, Culvers, and at our Literacy Night. God has surely blessed our church and school, and I thank Him for all of your children and your families, too. Thank you, all, for the generous birthday gift. You are all so kind.

Kane County Cougars "Ozzie" Reading Program and Six Flags Read to Succeed Program are in full swing. This year, parents will log into sixflags.com/books, enter our class code BJQHF, and enter their children's six hours of reading. Happy Reading ☺.
