Newsletter

Dear Parents,

Well, as I sit at my desk at school and ponder on this school year, I must say it did not end as any of us thought it would. God, though, is always good and He is in control in an uncertain world. Fourth Quarter, I missed all of your children more than words can say. I am very proud of their growth and effort in all areas. I am also grateful for all of my parents who supported Remote Learning and patiently helped their children succeed and thrive in a new learning setting for sure.

I want to thank you all for a wonderful school year. I will always remember all the gifts and talents of my students and the joy they brought me. We made many wonderful memories this year that I will hold in my heart.

May your summer be filled with sunshine, good times with friends and family, yummy food, and laughter. I pray all your families remain safe and healthy.

“May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope,” Romans 15:13.

Until we meet again...

His Servant,
Mrs. Michelle Stehle
