

Fourth Grade Flash

Week of August 28th, 2017

Newsletter

Dear Parents,

Your boys and girls worked hard and had a great first week of school! They are developing fantastic work, study, and organizational habits. Please continue to check their Red Homework Folder nightly and sign your child's Assignment Notebook. Thank you for partnering with me in your child's learning experience.

This week is a full week of learning! Please see the Important Dates and Upcoming Tests/Quizzes Section of this newsletter to get a "snapshot" of the week ahead.

Thank you for the prompt return of forms that needed to be signed. Please read the Bethany Parent Handbook, sign the front page, and return the signed page by Thursday, September 7th. ****Please fill out Photo Permission Form as soon as possible and give to the office if not yet done, thank you.**

On Chapel Wednesdays, we do encourage children to bring offerings if able. We will be discussing where our offerings will be sent to soon. There is also a bulletin board outside the office that will explain our mission, as well.

Please pray for our class as we work, grow, and learn together. I pray God's protection and blessings on your families, too.
