

Fourth Grade Flash

Week of April 30th, 2018

Newsletter

WOW!!! What wonderful Parade of States projects we had this year. It was so much fun seeing you all at the Curriculum Fair last Thursday evening. I feel like your children have all become experts on their states, and they learned a lot of information from their classmates about the other states studied, as well. Great job by all!

The boys and girls will take their final M.A.P. Tests of the 2017-2018 school year. We will take two tests this week, and two next week (please see dates to the right).

The Fourth Graders are in charge of their first Pizza Day this Friday, May 4th. A Sign Up Genius was created, so you can sign up to work with your child 😊.
