Records Day

Wow! I can't believe it will be the first day of autumn this week! The weather has been wonderful! I recommend long pants for the field trip on Thursday. We will be on the trail at the forest preserve but there are bugs, seeds, and other things we will be walking through. If you would like bug spray or sunscreen, please apply at home. Each student and DRIVER will need a disposable lunch with a drink in a disposable bag. Drivers please arrive at 9:50am. Drivers please make sure you have the proper paper work in the office regarding insurance. Drivers for the trip are: Baganz, Fredrickson, Lee, and Quintana.

Thank you for returning all the photo permission slips! I will be posting pictures to the blog later this week.

The children have been doing a wonderful job on memory work and memorizing high frequency words! Keep up the great work! This week we will have 3 new word wall words!

We have been focusing on best first grade work. That may look differently for your child than another child in the class. Each student is an individual and I strive to help each of them put forth their best work. Please go over papers and talk about: transitioning from capital to lower-case writing, capitalizing the first word in sentences and their name, punctuation marks, answering each question, checking their work, size and formation of their letters, staying on the line for writing, and checking backward letters and numbers. Remember this is a process. They are not striving for perfection but best work.

Oktoberfest is Saturday! There is no school on Friday so that we may set up for the big event. Please be extra careful on Thursday during afternoon pick up as some equipment will be arriving that day. The singing schedule is as follows:

4/5 1:30-1:45pm

K/1 1:45-2:00pm

2/3 2:00-2:45pm.

Please look for Mr. Zorena or myself to gather our class together.

Have a blessed week!
Mrs. N
