

The Rogoz Review

Week of February 18th, 2019

Volume 5, Issue 24

WHAT WE ARE LEARNING

Last week we prepared for Valentine's Day. We created a Valentine man using several different size hearts. We experimented with baking soda, vinegar & candy hearts. Valentine rhyming and discovering how many Hershey's kisses tall were some of the other fun things we did. We wrapped our week up with pj/pancakes and our class Valentine party.

This week we will work on a mini- transportation unit. We'll discuss what transportation means and the 3 different types of transportation (land, air, and water). We'll be working on sorting the many ways we can travel. We'll work on number identification with a number game and creating a class book to go along with "Don't Let the Pigeon Drive the Bus!" We will continue to add to our journals and work on our handwriting.

Jesus Time: *"Oh give thanks to the Lord, for He is good."* Psalm 107:1

Due to our busy week last week, we'll continue to hear the story...Jesus Feeds the Five Thousand! It is amazing to learn that this is not a one time demonstration of God's care in providing for His people. Through the power of the Holy Spirit, we can trust in our caring God to provide for all our needs; and we give thanks when He does!
