

ONLINE GRADE BOOK REGISTRATION

Dear 3rd – 8th Grade Parents,

In an effort to improve student performance, our teachers will be using an Internet-based system to communicate with parents. It will allow parents to login and view student assignments, scores, etc. It will also allow teachers to email parents when we have notable events in class (your child does outstanding work, gives good effort, misses an assignment, etc). Our hope is that improved communication with parents will result in greater academic achievement.

All 3rd-8th grade families and families new to Bethany need to fill out this form.

If you submitted this last year your old user names and passwords are still active and will only need to submit this form if there has been a change in your email address.

Please fill out and return this form. **PLEASE PRINT IN ALL CAPS.**
