Re: School Hot Lunch Program

Dear Parents –

We are excited to introduce ourselves to the new families of Bethany School and are looking forward to working with your families! We are Frank and Shari Kuzniewicz, owners of Pancake Café in Naperville. We will be preparing and delivering your children's meals for the 2022-2023 Hot Lunch Program.

We have owned and operated Pancake Café for over 29 years and have built a reputation of serving high quality meals with fresh ingredients. We have been catering school events and lunches for over 16 years. As parents ourselves, we understand the need that delicious, quality food is served. In other words, quality food kids LOVE to eat. That is our mission.

The same high quality and fresh ingredients we serve in our restaurant will be used in preparing your child's lunch: 100% angus beef cheeseburgers with Wisconsin cheese, oven roasted turkey wraps, 100% white meat chicken nuggets, house-made mac & cheese, chocolate chip pancakes made from scratch, etc. Feel confident that all entrees are peanut-free*. All meals will be individually packaged and prepared at the restaurant and we will provide daily substitutions of fresh vegetables with dip and fresh fruit for your child to exchange if requested. On most daily featured entrées, we will offer a gluten free version.

Finally, the past 18 months have brought sudden change in everyone's lives (especially children) and for the parents of children, it can be scary. Please be assured we have you and your children's health in mind at all times. We are following and exceeding all guidelines set by the State of Illinois and the CDC for food safety and preparation, including those recommended during the COVID-19 pandemic. (<https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/business-employers/bars-restaurants.html>). Bethany Lutheran School and Pancake Café are teaming up and working closely to ensure the delivery of your child's lunch will not only be prepared and delivered safe but taste great.

We look forward to a great school year!

Frank and Shari Kuzniewicz
