Week 12

2nd Grade Sentinel

Dear 2nd Grade Families,

Last week we:

- enjoyed studying George Seurat and his pointillism art technique as we practiced the same dedication on our Luther Rose art.
 - had fun learning about and celebrating Reformation Day!
 - celebrated Jackson Hillier's birthday with tasty cupcakes!
- Thanks! 😊

Curriculum for this week:

- **Religion:** Hear how God used Joshua to lead a very interesting battle around Jericho and how God called Gideon to do His work in a unique way, which involved a fleece!
- **Reading:** Enjoy reading *Tara and Tiree: Fearless Friends* by Andrew Clements, and review sequencing story events.
- **Spelling:** Continue Unit 4 as we learn a fun way to remember how to spell "many," make words with digraphs, and take our Word Test.
- **Phonics:** Practice reading words with the r-controlled vowels of -ar, -or, and -ore.
- **Grammar:** Review, identify, and use nouns.
- **Writing:** Revise our personal narrative masterpieces by adding an ending, then work on editing our drafts to proofread.
- **Math:** Practice and assess the facts of 10; identify tens and ones; identify and create halves, fourths, and eighths; problem solve by making an organized list; and measure length using color tiles.
- **Science:** Enjoy learning about common prairie animals and the unique features God designed for them to allow them to defend from predators yet also get their own food.

Let's have a blessed short week in Christ!
