Week 36

Dear 2<sup>nd</sup> Grade Parents,

Curriculum for this week:

- Religion: Finish our unit on Jesus' Ministry as we hear when Zacchaeus didn't feel so small and unimportant! We'll also begin Unit 9 on Spreading the Good News with the stories of the Easter Catch of Fish and the Ascension.
- Reading: Read *Cowboys* by Lucille Recht Penner; enjoy reading groups and practice identifying cause and effect.
- Spelling: Work on Unit 15 as we review using homophones correctly and practice irregular past-tense verbs.
- Phonics: See how adding different suffixes can change the meaning of a word.
- Grammar: Practice using commas to combine sentences.
- Writing: Continue working with the Conventions Trait as we plan who we'll each send a letter to and then write our first drafts of our letters.
- Math: Practice the x5 facts and review ALL the subtraction facts; practice making an organized list to solve a problem, explore the US units of weight, work on writing and showing fractions as mixed numbers and create a bar graph with a scale of 2.
- Science: Explore how simple machines make work easier to do and see how simple machines combine to make complex machines. **Next week we'll be creating Rube Goldberg projects. Please send in empty (but clean/rinsed) containers/food boxes you might empty during this week!**
- Assemble a fire fighter survival kit to deliver to our fire fighters at Station 8 when we visit there on Thursday!
- Finish our Jr. Achievement sessions!

Let's have a blessed week!

*Mrs. Janetzke*

#### Upcoming dates:
