Week 11

2nd Grade Sentinel

Dear 2nd Grade Parents,

Curriculum for this week:

- **Religion:** Celebrate the Reformation as we finish learning about the life and work of Martin Luther and how he reformed the Church; learn about the Luther Rose and practice creating it in the style of George Seurat.
- **Reading:** Begin Unit 2, "Working Together"; discover how sequence words help us as we read and write.
- **Spelling:** Write our Unit 3 Words to Learn; begin Unit 4 with the Word Preview, and discover that -y can also spell the long 'e' sound.
- **Phonics:** Identify the bossy r sounds of -ar, -or and -ore. These are also part of the r-controlled vowel category.
- **Grammar:** Discover what nouns are and practice identifying them.
- **Writing:** Revise our Personal Narratives as we learn how to use paragraphs and write an ending. Then we'll start to edit our masterpieces!
- **Math:** Practice the 10 facts; take a written assessment; use a balance to compare weight using non-standard units; practice adding 10 to a 2-digit number as we fill in missing numbers on a 100 chart; learn how to divide a set of objects into pairs; identify the 10s and 1s places; learn about the history of our number system and have some fun using binary code!
- **Science:** Finish learning about common prairie plants and enjoy creating our favorite one; begin to study some common prairie animals and learn how God made each one unique so as to defend themselves while also getting their own food!
- Enjoy several Literacy Week activities as we celebrate not only reading, but reading God's Word, which was a result of Martin Luther's work in the Reformation!

Let's have a blessed week in Christ!

Mrs. Janetzke

Theme: In All Things

"For by him all things were created in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities- all things were created through him and for him." Colossians 1:16
