Week 13

2nd Grade Sentinel

Dear 2nd Grade Families,

Curriculum for this week:

- **Religion:** Finish our unit, "The Promised Land," as we see the unique battle weapons Gideon used to lead God's people. We'll review our stories of the Israelites' 40-year journey and take a test over the unit stories.
- **Reading:** Finish our *Tara and Tiree: Fearless Friends* unit as we meet some rescue dogs and other service animals; enjoy reading groups; and enjoy a presentation on "Working Together" from Police Sergeant Porras, Brooklyn's dad!
- **Spelling:** Finish Unit 4 with our dictation test and Words to Learn; begin Unit 5 with our Word Preview.
- **Phonics:** Begin building words with the long 'a' sound spelled -ay or -ai.
- **Grammar:** Continue to build on what we've learned about nouns as we identify singular and plural nouns and begin to work on spelling rules for creating plural nouns.
- **Writing:** Publish our personal narrative masterpieces!
- **Math:** Practice facts with a sum of 11; compare and write fractional parts; trade 10 pennies for a dime as we introduce the concept of regrouping; use rulers to measure to the nearest inch; and add 10 to a 2-digit number.
- **Science:** Finish our Prairie habitat unit as we see how plants and animals interact with each other, try not to get eaten, and create our favorite prairie animal.

Let's have a blessed week in Christ,
