Week 28

# 2<sup>nd</sup> Grade Sentinel

Dear 2<sup>nd</sup> Grade Families,

Last week we:

- Had a blast celebrating National Lutheran Schools Week! It was fun to see everyone's creative outfits each day. We were amazed during Matt Wilhelm's BMX assembly and had fun when Mrs. Reed swapped with Mrs. Janetzke and taught the class how to design and draw a dinosaur!

Curriculum for this week:

- **Religion:** Review the Unit 5, Jesus, the Son of God, stories and take a test.
- **Reading:** Wrap up 3<sup>rd</sup> Quarter with our Unit 3 Skills Test and fluency check;
- **Phonics:** Practice reading for fluency and finding words with the comparative (-er) and superlative (-est) endings, while also analyzing the words for spelling change rules.
- **Spelling:** Begin Unit 10 with the Word Preview.
- **Math:** Assess the -5 fact and begin practicing the subtracting 6 facts; take a Written Assessment; practice covering a design with tangram shapes 2 different ways; and practice 2-digit subtraction with regrouping.
- **Grammar:** Learn when to use the verbs *am*, *is*, *are*, *was*, and *were*.
- **Writing:** Finish our "Next Tuesday" fantasy stories and enjoy sharing them with each other.
- **Science:** Blast off into space as we begin a new unit on The Solar System! We'll learn about the Sun and see what makes day and night.
