Dear 2nd Grade Families,

- did a great job sharing our 2nd grade informational paragraphs with the 1st graders, since they were our intended audience.

Curriculum for this week:

- **Religion:** Begin our unit on Jesus' Ministry as we read about the miraculous catch of fish, Jesus at the home of Mary and Martha, and the parables of the Good Samaritan and the Widow's Mite.
- **Reading:** finish reading *Red, White, and Blue: The Story of the American Flag* by John Herman as we learn more about this important symbol, and practice identifying facts and opinions.
- **Spelling:** Finish Unit 13 by identifying silent letters and taking our tests.
- **Phonics:** Read words with inflected endings (s, ed, ing) and review the spelling change rules for adding them.
- **Grammar:** Learn what an adverb is and begin using them in writing.
- **Writing:** Finish revising our fiction narratives to go with our measurement sculptures as we learn strategies for writing the ending, practice the show don't tell technique, and edit transitions and paragraphs. **We'll also publish our final copies to share with everyone at the Curriculum Fair on Friday, 5/6!**
- **Math:** Practice and assess the x5 facts, and learn the x2 facts; practice identifying and writing fractions as mixed numbers; use a bar graph with a scale of 2; and identify right angles.

"The Lord's Prayer: Our Father who art in heaven, hallowed be Thy name, Thy kingdom come, Thy will be done on earth as it is in heaven; give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. For Thine is the kingdom and the power and the glory forever and ever. Amen."

"For by him all things were created in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities- all things were created through him and for him." Colossians 1:16
